**MOTION:**

Move to adopt Resolution No. 2024-034 declaring October 2024 as Fire Prevention Month in the Northwest Fire District.

**DISCUSSION:**

Fire Prevention Month provides a defined time in the calendar year for fire service partners to educate the community on a unified fire prevention theme which is created by the National Fire Protection Association (NFPA). The theme for Fire Prevention Month 2024 is, "Smoke alarms: Make them work for you." Through engaging 2nd grade students in Northwest Fire District (NWFD) area schools in fire prevention education and interactive mini-muster programs, this fire prevention theme will be shared with hundreds of students and families throughout the District. Students and families will be given tools to create their home fire escape plans and interactive discussions will take place during scheduled classroom visits by NWFD Public Educators. Additionally, Public Educators will share this important fire prevention message with members of the community at scheduled events throughout the month of October, including the Town of Marana's Fall Festival.

**ALTERNATIVES:**

Not approve the Resolution; not recommended.
