**General Instructions**

Levy Limit worksheets must be finalized and transmitted by the County Assessor to Fire Districts and the PTOC no later than February 10 of each year. The Fire District is responsible for coordinating with the County Assessor to satisfy this reporting requirement according to a deadline determined by each County Assessor to allow them sufficient time to adjust the maximum allowable levy limit. ***It is imperative that Fire Districts contact the County Assessor's Office to confirm annexations that need to be reported and to ensure compliance with this deadline.*** No values on the levy limit worksheet can be changed after February 10 without the approval of the PTOC.

If this form was prepared by the County Assessor's Office on behalf of the Fire District, the Assessor should forward a copy to the PTOC with the levy limit worksheet no later than February 10. Advance copies should be provided to the Fire District for their verification of the information reported.
