Date:	September 24, 2024
To:	Governing Board
From:	Kristen Sillett, Manager
Division:	Essential Services
Type of Action:	Information Only
Strategic Plan Goals:	Maximize collaboration with outside partners and stakeholders
Agenda Item:	Approval of the Donation of Four (4) Sets of Expired Turnouts to Support the Fire Science Program at Pima Joint Technical Education District (JTED)

RECOMMENDATION:

Staff recommends approval of the donation of four (4) sets of turnouts to support the Fire Science program at Pima Joint Technical Education District (JTED).

MOTION:

Move to approve the donation of four (4) sets of turnouts to support the Fire Science program at JTED.

DISCUSSION:

As community partners, JTED and NWFD collaborate through internships and other community related initiatives. This year, JTED requested a donation of expired turnout gear to support their upcoming Fire Science program. Equipment Services staff reviewed available expired turnouts and determined that four (4) coats, and four (4) pairs of pants were viable for donation with no impact to the District's Training or Academy activities. The donation of expired turnout gear from the District will result in a cost avoidance of approximately \$18,000 for the JTED Fire Science program.

ALTERNATIVES:

Do not donate; not recommended.
