DISCUSSION:

Staff is pleased to share that the District was named the "Best First Responder Agency" for Best of the Northwest 2025, hosted by Tucson Local Media. This is the fourth year in a row that Northwest Fire District has earned this recognition. This recognition is a true testament to what all members of this District do, every single day, to meet our mission to "save lives, protect property, and care for our community". The voters are our community members, the individuals our members serve unselfishly. We are proud of the work the District is doing and look forward to what the future holds.
